Nondiscrimination Testing

In order to qualify for tax-favored status, Cafeteria, Flexible Spending and Health Reimbursement benefit plans must not discriminate in favor of highly compensated employees (HCEs) and key employees with respect to eligibility, contributions, and benefits. In order to evidence compliance, annual tests must be performed and the results documented for each benefit plan.

Under the 2007 proposed regulations, Code Section 125 nondiscrimination tests are to be performed as of the last day of the plan year, taking into account all non-excludable employees who were employed on any day during the plan year. Some employers choose to perform these tests mid plan year in order to determine whether additional steps need to be taken before the end of the plan year so that the plan passes the nondiscrimination tests and preserves the tax treatment for the key and highly compensated. A second and final test would then be conducted as of the last day of the plan year.

Per your Admin Agreement:

Testing Fees for Non-Assisted Testing run by client or broker through our NDX Testing Portal:

First two NDX test sets per Plan Year **Waived**
 Additional NDX test sets per Plan Year \$395

Testing Fees for Assisted Testing run by ABG:

Per NDX test set \$495

To perform the required tests please complete the **Nondiscrimination Testing Request Form** linked here https://www.amben.com/demos/NondiscriminationTesting/ABG_NondiscriminationTestingRequestForm.pdf

IMPORTANT: If we do not receive the Nondiscrimination Testing Request Form, we will assume that you do not want to test your Plan(s) with ABG.

Qualified Reservist Election

A special rule allows amounts in a health FSA to be distributed to reservists ordered or called to active duty. This rule applies to distributions made after June 17, 2008, if the plan has been amended to allow these distributions. Your employer must report the distribution as wages on your Form W-2 for the year in which the distribution is made. The distribution is subject to employment taxes and is included in your gross income.

A qualified reservist distribution is allowed if you were (because you were in the reserves) ordered or called to active duty for a period of more than 179 days or for an indefinite period, and the distribution is made during the period beginning on the date of the order or call and ending on the last date that reimbursements could otherwise be made for the plan year that includes the date of the order or call.

Direct Deposit (preferred method):

- This method allows your payroll department/company to deposit contributions directly to employee's HSA bank accounts.
- Once employees' Avidia HSA bank accounts are open, ABG will send your Funding Contact a file listing each participant's new HSA bank account and routing number.
- Your payroll company should be provided with these HSA account numbers, which should be set-up in their system to allow all elected HSA contributions to be deposited directly to the participant's Avidia HSA bank account.
- The funds will be available on the participants ABG Benefits Card within 2 days.

Secure File

- A File can be used both for Employer and/or Employee funding: You may submit funds by completing this funding template http://amben.com/demos/HSA/ABG_HSA_FundingTemplate.xls securely email to processing@amben.com.
- Please make the Effective date equal to the payroll date. If you submit funding on this file, please submit three days prior to payroll date to assure funds will be in employees accounts on their payroll date.

HSA IRS Limits	Single	Family
2017 Maximum Contribution	\$3,400	\$6,750
2018 Maximum Contribution	\$3,450	\$6,900
Catch-up Contribution (age 55+)	\$1,000	\$1,000

Please ensure that the HSA funding you request us to process conforms to these maximums.

Terminated Employees

If one of your employees, who was enrolled, in an HSA, should terminate employment with you, you must notify ABG of the termination by emailing processing@amben.com. ABG will process the termination of the employee's HSA under the employer's benefit options and will re-associate the employee's HSA to our alternate **ABG HSA**. This will allow the employee to maintain access to their HSA balances.

1. Terminated employees with HSA balances will be provided with a new ABG Benefits card (**myHSAver** will be embossed on the front of this card), which they should use going forward, to access their HSA funds.
2. If an employee has checks associated with their HSA, these checks are still valid for their new account.
3. The employee will need to re-register their HSA account in the WealthCare Portal under the ABG HSA, to continue to manage their HSA on line. ABG will send terminated employees a notification once they have been located under the ABG HSA.
4. Going forward, a monthly fee in the amount of \$4.00 will be levied against the employees HSA account, as long as the employee has funds remaining in the account.

Active Employees who cease to qualify for the HSA

As an employer, you have two options for handling the administration of the HSAs of your employees who cease to qualify for the HSA (because they are no longer covered under the HDHP). Please check the option you would like.

- Let the employee's HSA account remain active under the employer's benefit options, but cease processing contributions to the HSA. In this case:
- You, the employer will continue to pay the monthly PEPM fee for the administration of this HSA and this will be reflected in the monthly invoice from ABG.
 - The employee will be able to continue to access balances in their HSA using the same ABG Benefits Card that they use for any other benefit options ABG is administering for this employee.
 - Your employee will be able to login to view their HSA accounts using the same login that they are using to access any other active benefit options ABG is administering for the employer.

Or,

- Notify ABG that the participant is no longer covered under the HDHP and that the HSA benefit offered by the employer should be terminated for this employee (this is for cases where the employee continues to be your active employee). You will no longer be billed for this employee's HSA. In this case, ABG will:
- Re-associate the employee's HSA to our alternate **ABG HSA**.
 - ABG will issue a new ABG Benefits Card (**myHSAver** will be embossed on the front of this card), going forward, this card is the only card that can be used to access funds in the HSA.
 - The employee will be notified that they will need to create a separate login to manage their HSA (they will continue to access all other active accounts under their employer login using the card that was issue under their employer).
 - The employee will have a monthly fee of \$4.00 assessed against balances in their HSA.
