### Nondiscrimination Testing

In order to qualify for tax-favored status, Cafeteria, Flexible Spending and Health Reimbursement benefit plans must not discriminate in favor of highly compensated employees (HCEs) and key employees with respect to eligibility, contributions, and benefits. In order to evidence compliance, annual tests must be performed and the results documented for each benefit plan.

Under the 2007 proposed regulations, Code Section 125 nondiscrimination tests are to be performed as of the last day of the plan year, taking into account all non-excludable employees who were employed on any day during the plan year. Some employers choose to perform these tests mid plan year in order to determine whether additional steps need to be taken before the end of the plan year so that the plan passes the nondiscrimination tests and preserves the tax treatment for the key and highly compensated. A second and final test would then be conducted as of the last day of the plan year.

**Per your Admin Agreement:**

**Testing Fees for Non-Assisted Testing run by client or broker through our NDX Testing Portal:**

First two NDX test sets per Plan Year ..... **Waived**  
 Additional NDX test sets per Plan Year ..... \$395

**Testing Fees for Assisted Testing run by ABG:**

Per NDX test set ..... \$495

**To perform the required tests** please complete the **Nondiscrimination Testing Request Form** linked here [https://www.amben.com/demos/NondiscriminationTesting/ABG\\_NondiscriminationTestingRequestForm.pdf](https://www.amben.com/demos/NondiscriminationTesting/ABG_NondiscriminationTestingRequestForm.pdf)

**IMPORTANT: If we do not receive the Nondiscrimination Testing Request Form, we will assume that you do not want to test your Plan(s) with ABG.**

### Qualified Reservist Election

A special rule allows amounts in a health FSA to be distributed to reservists ordered or called to active duty. This rule applies to distributions made after June 17, 2008, if the plan has been amended to allow these distributions. Your employer must report the distribution as wages on your Form W-2 for the year in which the distribution is made. The distribution is subject to employment taxes and is included in your gross income.

A qualified reservist distribution is allowed if you were (because you were in the reserves) ordered or called to active duty for a period of more than 179 days or for an indefinite period, and the distribution is made during the period beginning on the date of the order or call and ending on the last date that reimbursements could otherwise be made for the plan year that includes the date of the order or call.
