WealthCare Mobile App

Save time and hassles with the ABG WealthCare Mobile App. Check your balances, transactions, and claim details for all your reimbursement accounts.

EASY AND CONVENIENT

Designed to work just as other Android and iOS apps, making it easy to learn and use.

- Shares user authentication with the WealthCare Portal, users can download the app and log in immediately to gain access to their reimbursement accounts, with no need to register their phone.

CONNECTS YOU WITH THE DETAILS

- Check available balances 24/7
- View account activity for your accounts
- Drill into claim transactions for your HRA and FSA accounts
- Claims detail and submission, including upload of receipt images taken with your mobile device

IT'S SECURE

No sensitive account information is ever stored on your mobile device and secure encryption is used to protect all transmissions.
