Commuter Transit & Parking Administration Solutions

About American Benefits Group

American Benefits Group (ABG) is a wholly owned subsidiary of NFP Corp., a powerful, national partnership of over 180 owned and 350 affiliated independent corporate benefits consulting and diversified financial service firms that provide informed and innovative benefits strategies customized for over 40,000 employers of all sizes. As the national platform partner for NFP Benefits, American Benefits Group provides Flexible Spending Accounts, HRA, HSA, Section 132 Transit, and COBRA & Direct Premium Billing administrative services to the employer clients of NFP companies nationwide.

Unmatched Expertise

Our professional benefits administrative staff is knowledgeable in every aspect of employee benefits plan design, compliance and reimbursement account administration. All of our administration team members are professionally certified and receive continuous advanced training. With over 100 years of combined industry experience in Cafeteria Plans and Flexible Spending Accounts and COBRA administration, American Benefits Group's team is dedicated to sharing our expertise with you and your employees.

A Concierge and Boutique Service Model

Every employer client works with a dedicated account service team that manages all aspects of their program. Your account service team pays careful attention to understanding the needs of your company, your participants and the scope of your plan.

Our mission is to define a level of service that is unmatched in the industry today, and exceeds our client's expectations in every way.
