

Adds, Terms & Changes

IMPORTANT: Communicating Changes

Please note that for all your Reimbursement Accounts, unless you have:

1. Established an Ongoing Eligibility File with ABG (a connection between your HRIS or payroll vendor and our IT Department)

- and -

2. You have received confirmation that this file is in production from ABG's IT Department, **then:** You must notify ABG of all new enrollments, terminations, or election changes. This should be done by sending an encrypted email to processing@amben.com. **Please note that the sendsecure.amben.com portal is no longer available.** As an alternative ABG can set you up with a secure link to our SharePoint server. Please note that each individual will need their own permissions, please provide the email addresses of those who would like access.

ABG will let you know via email once we have processed any enrollment you send. Please allow two business days for processing change requests.

Please note that if you do not have an Ongoing Eligibility File and are not planning to set one up, then contacts with Administrator Access can request write access to make their changes. Please email processing@amben.com to request this access.

To ensure compliance with HIPAA and PHI regulations please make sure that all requests are emailed in an encrypted manner.
