Employer Plan Administrators

Administrator Access: ABG can provide a read-only access to our WealthCare Administration system for Employer Plan Administrators. Those being provided with access should either have been designated as a privacy officer, or have been cleared for access to Protected Health Information (PHI) per HIPAA requirements.

Scheduled Reports include information about account balances, debit card transactions and claim reimbursements. Scheduled reports in the system do not contain PHI or Personal Information (PI).

Nondiscrimination Testing

In order to qualify for tax-favored status, Cafeteria, Flexible Spending and Health Reimbursement benefit plans must not discriminate in favor of highly compensated employees (HCEs) and key employees with respect to eligibility, contributions, and benefits. In order to evidence compliance, annual tests must be performed and the results documented for each benefit plan.

Under the 2007 proposed regulations, Code Section 125 nondiscrimination tests are to be performed as of the last day of the plan year, taking into account all non-excludable employees who were employed on any day during the plan year. Some employers choose to perform these tests mid plan year in order to determine whether additional steps need to be taken before the end of the plan year so that the plan passes the nondiscrimination tests and preserves the tax treatment for the key and highly compensated. A second and final test would then be conducted as of the last day of the plan year.

Per your Admin Agreement:

Testing F	ees for Non-Assisted Testing run by client or broker through our NDX Testing Portal:	
F	First two NDX test sets per Plan Year	Waived
А	Additional NDX test sets per Plan Year	\$395

Testing Fees for Assisted Testing run by ABG:

Per NDX test set\$495

To perform the required tests please complete the Nondiscrimination Testing Request Form linked here:

https://www.amben.com/media/mx4ne43h/abg nondiscriminationtestingrequestform.pdf

IMPORTANT: If we do not receive the Nondiscrimination Testing Request Form, we will assume that you do not want to test your Plan(s) with ABG.

Qualified Reservist Election

A special rule allows amounts in a health FSA to be distributed to reservists ordered or called to active duty. This rule applies to distributions made after June 17, 2008, if the plan has been amended to allow these distributions. Your employer must report the distribution as wages on your Form W-2 for the year in which the distribution is made. The distribution is subject to employment taxes and is included in your gross income.

A qualified reservist distribution is allowed if you were (because you were in the reserves) ordered or called to active duty for a period of more than 179 days or for an indefinite period, and the distribution is made during the period beginning on the date of the order or call and ending on the last date that reimbursements could otherwise be made for the plan year that includes the date of the order or call.

Apply Grace Period to Health FSA? ☐ Yes ☐ No Apply Grace Period to DCAP? ☐ Yes ☐ No	
Carryover Provision (if you choose the Carryover – you may not choose the grace period for the Health FSA, however you may have the grace for the DCAP) The optional Carryover Provision allows employees who make an election for the new plan year in the amount of \$' (our recommendation), to roll funds from the prior plan year into the new one. The Carryover Provision maximum is permanently indexed to be equivalent to 20% of the Health FSA / Limited Purpose Health FSA annual contribution maximum. In most years, this results in an increase to the maximum amount that may be rolled over due to the Carr Provision. These funds are rolled approximately two weeks after the end of the previous year's Run-out Period and then be used for new plan year expenses. ABG maintains a table showing the latest known IRS benefit limits, including the Carry Provision Maximum: IRS Benefit Limits Are you currently offering the Carryover Provision? Yes No Do you want to adopt the Caryover Provision? Yes* No Employees must make an active new plan year election to take advantage of the Carryover Provision.	ryover can

Commuter Transit and Parking

		Plan	Design			
qualified parking and expenses and do not	Under Section 132 of the IRS tax code, an employer can allow employees to set aside a portion of their salary to pay for qualified parking and transit expenses. The employee will not be taxed on these amounts as long as they are used for qualified expenses and do not exceed the statutory monthly limits. The commuter benefit allows employees to make changes on a monthly basis, employees should only withhold the amount they need for each month.

Health Reimbursement Arrangement

HRA Plan Design

Please note that your HRA must comply with the Affordable Care Act (ACA) requirements beginning January 1, 2014 as clarified on September 13, 2013 in Treasury Notice 2013-54. Your HRA can continue to reimburse all or a subset of eligible medical expenses as described under IRS Code Section 213(D) if:

- 1. Those eligible for the HRA are also eligible for, and enrolled in, an employer-sponsored ACA-compliant group medical coverage. Employer-sponsored ACA-compliant group medical coverage may be provided by the employer that offers the integrated HRA or employees may certify they have coverage under a spouse's or parent's ACA-compliant group medical plan.
- 2. The group medical plan meets the minimum value requirement.

If you are currently offering an HRA to all of your employees regardless of whether they are enrolled in an ACA compliant group medical plan you must terminate this plan or amend it so that it is only available to employees who have ACA-compliant group medical insurance with minimum value coverage. Please contact American Benefits Group immediately to discuss any changes or amendments you may need to do.

ABG HSA

Terminated Employees

If one of your employees, who was enrolled, in an HSA, should terminate employment with you, you must notify ABG of the termination by emailing processing@amben.com. ABG will process the termination of the employee's HSA under the employee's benefit options and will re-associate the employee's HSA to our an ABG Retail HSA. This will allow the employee to maintain access to their HSA balances.

- 1. Terminated employees with HSA balances will be provided with a new ABG Benefits card, which they should use going forward, to access their HSA funds.
- 2. If an employee has checks associated with their HSA, these checks are still valid for their new account.
- The employee will need to re-register their HSA account in the WealthCare Portal, to continue to manage their HSA online. ABG will send terminated employees a notification once they have been located under the ABG HSA.
- 4. Going forward, a monthly fee in the amount of \$4.00 will be levied against the employees HSA account, as long as the employee has funds remaining in the account.

Active Employees who cease to qualify for the HSA

As an employer, you have two options for handling the administration of the HSAs of your employees who cease to qualify for the HSA (because they are no longer covered under the HDHP). Please check the option you would like.

Let the employee's HSA account remain active under the employer's benefit options, but cease processing contributions to the HSA. In this case:

- You, the employer will continue to pay the monthly PEPM fee for the administration of this HSA and this will be reflected in the monthly invoice from ABG.
- The employee will be able to continue to access balances in their HSA using the same ABG Benefits Card that they use for any other benefit options ABG is administering for this employee.
- Your employee will be able to login to view their HSA accounts using the same login that they are using to access any other active benefit options ABG is administering for the employer.

Or,

- Notify ABG that the participant is no longer covered under the HDHP and that the HSA benefit offered by the employer should be terminated for this employee (this is for cases where the employee continues to be your active employee). You will no longer be billed for this employee's HSA. In this case, ABG will:
 - Re-associate the employee's HSA to an ABG Retail HSA account.
 - ABG will issue a new ABG Benefits Card, going forward, this card is the only card that can be used to access
 funds in the HSA.
 - The employee will be notified that they will need to create a separate login to manage their HSA (they will
 continue to access all other active accounts under their employer login using the card that was issue under
 their employer).
 - The employee will have a monthly fee of \$4.00 assessed against balances in their HSA.
